Dear Ken:

The CIA and the Intelligence Community Staff will co-host a two-day seminar on Intelligence and the 98th Congress on the 14th and 15th of December at [REDACTED]

25X1

Our objective is to bring together Community Legislative Liaison Officers, senior officials who are called on to testify and significant committee staffers to discuss the upcoming session of Congress and how we can work together to present the Community's programs in the most effective way possible. The enclosed tentative agenda will give you additional ideas about the subject matter to be addressed and the proposed participants. [REDACTED]

25X1

We would very much like to count on your participation. Space limitations at the Center severely restrict total attendance, so we are constrained to limit the invitation to yourself and one member of your staff. We will be inviting General Williams in a separate letter but, mindful of his heavy schedule, we would appreciate your assistance in urging his participation in what we believe would be a very helpful and informative session. All participants will need to have SI-TK-BYC clearances. [REDACTED]

25X1

We very much look forward to having you with us [REDACTED] We will provide further details on transportation, logistics and timing as arrangements are made. We will also keep you informed about any changes in the schedule and participants. It would be helpful if you would let us know of your availability as soon as possible by phoning either [REDACTED] of the Intelligence Community Staff [REDACTED] of CIA [REDACTED]
